

Are you aware of Bildeston Health Centre's Patient Participation Group?

Are you interested in becoming a member?

Our PPG is currently meeting and are looking for ways to facilitate communication between the Practice and yourselves, the Patients.

We also have a 'suggestion box' in our Waiting room – a suggestion earlier this year was providing shelter for patients for our open-access morning surgery – we have now installed a Canopy!

**Why become a member of our Patient Participation Group?
Other PPG members have highlighted the following reasons:**

Health-related issues / To offer practical help i.e. Flu vaccinations clinics and Health Events / To give something back to the Practice / To learn more about current developments in Health / To get involved in local Health Issues that matter to the Community

If you are interested in becoming a member of our PPG, please contact Carol Huxtable on 01449 740254
